

Record of Faculty Votes on 2007 Spring Meeting

Motion: To amend CSS Faculty By-laws so as to direct the Department Head to keep written records of motions passed during the meeting.

Votes: 27 Yes, 0 No.

Motion: To cross list CRSS(HORT) 4590/6590 with Ecology.

Votes: 27 Yes, 0 No.

Motion: To sent forward for approval by the Graduate School an Area of Emphasis for Weed Science and an Area of Emphasis for Soil Science. Requirements are shown below.

Votes: 27 Yes, 0 No.

For Area of Emphasis in Weed Science:

Required Courses (10 hours):

- BCMB 6000 – Biochemistry
- CRSS 6340 – Weed Science
- CRSS 6340L – Weed Science Laboratory
- STAT 8200 – Experimental Design

Select one course from the following (3 hours);

- CRSS 8330 – Herbicide Physiology
- PBIO 6230-6230L – Plant Anatomy
- PBIO 6650-6650L – Plant Taxonomy
- PBIO(BCMB)(FORS) 6670 – Plant Molecular Responses to the Environment
- ENTO(CRSS)(PATH) 6250-6250L – Pesticide Use and Transgenic Crops
- ENTO(cRSS)(PATH) 6740-6740L – Integrated Pest Management

For Area of Emphasis in Soil Science

The student should take or have taken on graduate course in at least four of the following areas:

- Soil Chemistry
- Soil Physics
- Soil Biology and Biochemistry
- Soil Fertility/Plant Nutrition/Nutrient Management
- Soil and Water Management/Conservation
- Pedology
