Dear Dean Buchanan:

The UGA Chapter of Gamma Sigma Delta, the Honor Society of Agriculture, is soliciting nominations for our annual faculty awards. Since one of our chapter's goals is to recognize outstanding accomplishments by UGA faculty in the areas of research, teaching, and extension, award winners will be recognized at our annual banquet scheduled for Wednesday, April 6th, 2005, from 7-10pm at the Georgia Center. We are currently accepting nominations for the following faculty awards (descriptions of each award are attached):

Junior Faculty Award

Senior Faculty Award

Distinguished Teacher Award

Distinguished Extension Award

We would appreciate it if you would distribute this award announcement to department heads and interested faculty. All award nomination materials must be submitted by February 1, 2005.

Thank you for your assistance in rewarding outstanding faculty through our annual awards program. And thank you for your continued support of Gamma Sigma Delta.
