

**Name:** A. Stanley Culpepper

**Present Rank:** Associate Professor

**Program Overview:** Extension Weed Science for cotton, vegetables, and small grains.

**Education:**

<u>Degree</u>	<u>Institution</u>	<u>Major Field</u>	<u>Year</u>
B.S.	North Carolina State Univ.	Agronomy	1993
M.S.	North Carolina State Univ.	Crop/Weed Science	1996
Ph.D.	North Carolina State Univ.	Crop/Weed Science	1999

**Academic Positions:**

1994-96	North Carolina State University, Graduate Research Assistant
1996-99	North Carolina State University, Extension Associate
1999-2005	UGA Assistant Professor, Extension Agronomist - Weed Science
2005-	UGA Associate Professor, Extension Agronomist - Weed Science

**Membership in Professional Societies:**

Beltwide Cotton Research Conference; National Association of County Agricultural Agents; Weed Science Society of America; Southern Weed Science Society; Southeastern Vegetable Workers Group; Georgia Association of County Agricultural Agents; Georgia Crop Production Alliance; Georgia Fruit and Vegetable Growers Association.

**Awards Received:**

1. **Award for Excellence** in Extension presented by the Georgia Fruit and Vegetable Growers Association. Georgia Fruit and Vegetable Growers Annual Meeting. Savannah, GA.
2. **IR-4 Meritorious Service Award from IR-4.** IR-4 Annual Meeting.
3. **Michael J. Bader Award for Excellence for Junior Faculty.** The University of Georgia.
4. **Young Professional District Winner.** Georgia Association of County Agricultural Agents.
5. **Young Professional State Winner.** Georgia Association of County Agricultural Agents.
6. First place co-author poster presented at Georgia Association of County Agricultural Agents.
7. Extension Publication Award from American Society for Horticultural Science. Georgia Commercial Vegetable Information. Co-Author.
8. Extension Publication Award from American Society for Horticultural Science. Onion Production Guide. Co-Author.
9. Regional Web Page Finalist Award from the National Association of County Agricultural Agents for the Cotton Team Led by Dr. Phil Jost.
10. First place co-Author for poster presented by the Georgia Association of County Agents.
11. First place student paper presented in Weed Research Section at Beltwide Cotton Conference. Parker, R., A. C. York, and A. S. Culpepper.
12. First place student paper presented in Weed Research Section at Beltwide Cotton Conference. Gardener, A. P., A. C. York, and A. S. Culpepper.
13. American Society of Agronomy 2005 Certificate for Excellence for The University of Georgia Cotton Newsletter. Co-Author.
14. Second place poster given by the Association of County Agricultural Agents. A. S. Culpepper, A. MacRae, and T. Flanders.
15. Communication Award. The National Association of County Agricultural Agents. Regional Finalist for Georgia Slide Set.

**Graduate Student Advisory Committees:** 2 Masters and 1 Ph.D.

**Contributions to Research and Extension:**

*Chapters in Books:* 2

*Refereed Journal Articles Published:* 31

*Section 18 Packages Preparation and Submission:* 5 (all successful, value: \$4.3 million)

*Critical Use Exemption Methyl Bromide Packages:* 2 (all successful, value \$100 million)

*On-Line Decision Support Systems:* 1

*Abstracts and Proceedings of Papers Presented at Professional Meetings:* 149

*Bulletins:* 7

*Circulars:* 2

*Research-Extension Handbook Publications:* 27

*Research - Extension Handbook Articles:* 47

*Georgia Pest Control Handbook:* 10 sections each year; 12% of the book.

*Newsletters:* 75

*Popular Press:* 6

*Articles Quoted or Referenced:* 33

*Slide Presentations on Weed Science Web Page:* 34

*Applied Research Trials Published in Annual Research Reports:* 541

*Radio Programs:* 9

*Television Programs:* 8

*Editorship:* Journal of Cotton Science Assistant Technical Editor (1999-present), Southeastern Vegetable Crop Guidelines (2005), Cotton Research Extension Report (1999-2003).

*Professional Meetings Attended :*41

*Invited Presentations at Non UGA Extension Functions:* 62

*Invited Presentations at Extension-Sponsored Regional or Statewide Programs:* 23

*In-Service Agent Training Programs:* 35

*Local or County Educational Programs:* 216

*Field Days or Field Tours:* 45

**Contributions to Professional Service:**

1. *College/department:* University of Georgia CAES Tifton Campus Facility and Land Use Committee; University of Georgia Extension Vegetable Team Recorder; Co-Chairman of Vegetable Committee To Enhance Vegetable Presence in Georgia; Chairman of the Tifton Vegetable Park Committee; Chairman of Tifton Campus Social Committee.

2. *Regional/National/International:* United States Organizing Committee for the 4<sup>th</sup> World Cotton Research Conference, Beltwide Cotton Conference Weed Loss Committee; Weed Science Society Herbicide Minor Use Committee; Beltwide Planning Committee for Glyphosate Symposium at the Beltwide Cotton Conference; Steering Committee Developing Best Management Practices in Cotton for the Duff Company; Southern Weed Science Society Weed Survey; Southern Weed Science Society Local Arrangements Committee; Georgia Association of Agricultural Agents Early Career Development Committee.

**Grants Awarded:**

*Grants directly to Culpepper project:* from industry: \$736,600; from commodity groups: \$159,700; from competitive grants: \$398,165. (total \$1,294,465).

*Total Grant Funding including Culpepper:* \$2,462,257

**Goals for the Next Five Years:**

Help family farms survive through developing and implementing economically effective weed management programs.
